

## Gourmet Plus

A range that copes with every task: solid and robust. It has been well thought out down to the last detail and will delight all those who love cooking to a high standard.

- High grade, matt finished Cromargan: stainless steel 18/10
- Hermetically sealed handles that do not get hot
- Heavy non-insertible lid for a safe and secure fit
- TransTherm universal base, also suitable for induction hobs
- All pans have an internal measuring scale to make measuring easy
- Made in Germany

Suitable for all cooking surfaces

Gourmet Plus is a cookware for everyone making professional demands on cookware: heavy quality, matt finish, reduced to the essential

The striking outside etching with the WMF logo, series name and 5 stars underlines the professional standards

The broad, polished rim allows pouring out liquids accurately

Inside scaling for easily measuring of liquids

The cold handles with their oval shape provide a specially good grip
